

zNextGen Project Networking Event

SHARE Orlando 2011
Wed @ 7:00pm

zNextGen Project Networking Event

■ Abstract:

Come join us for the opportunity to meet people just like you, who are new to the mainframe, have a new job role working on the mainframe, or are experienced mainframers who are advocates of our project. During this professional networking event, we take the time to eat, socialize, and have minimal shoptalk. We strongly encourage building a network of peers or mentors who you can collaborate with during the rest of the week at SHARE and when you get back to the office.

Everyone is responsible for his or her own food and drink. If you are interested in attending, meet in the Walt Disney World Dolphin Hotel Lobby at 7pm! See you there!
