

SHARE Anaheim – August 5 - 10, 2012

Your opportunity to influence z/OS simplification efforts

Take the z/OS Consumability Survey

▪ Rate z/OS over its lifecycle

- Take the **Web survey**: a series of multiple choice questions that typically takes 25 minutes. Rate z/OS on:
 - Acquiring z/OS
 - Installing and configuring z/OS
 - Using and administering z/OS
 - Troubleshooting problems
 - Updating the product (e.g. installing fix packs)

- **Audience:** Anyone - system programmers, administrators, managers, and higher level executives. Any number of persons from your company can participate in the survey.

Interested? Email your name and company to:
Linda Jorgensen ljorgen@us.ibm.com

IBM will email the link to the online survey to you. **Or** complete this contact information sheet and return it to Geoff Smith at the survey table at SHARE.

Invitation to participate: We will use your contact information to invite you to participate in a consumer experience survey.

I am interested in participating in the Consumability survey:

Name: _____

Company: _____

Email address: _____

Business phone: _____
