

# *2012 Honors*

## *Order Of the Knights of VM*

# *Once Upon a Time.....*

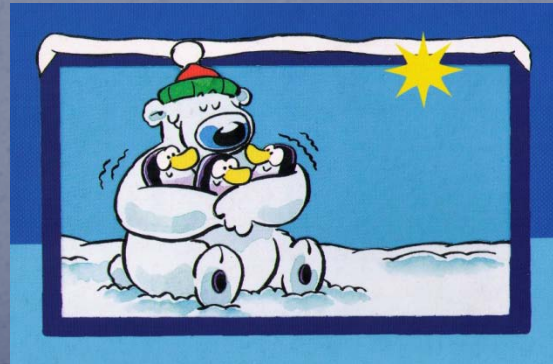

- *Before the Internet was “invented”.....*
- *Before “googling” was the way to solve a problem....*
- *Before you could hold a computer on your lap.....*
- *Before “source” was “open” .....*
- *When the only mice we knew had 4 feet and squeaked*
  - *And we only saw black/white, or “green” screens.....*
- *Came intrepid SYSPROGS, who led the way to a bold new concept - Virtualization!*

# *Brave Warriors for a Noble Cause*

- *Armed with nothing more than a keyboard and a passion, sustained by vending machine food and soda, these warriors did battle with many legendary adversaries:*
  - *An ancient, dangerous dragon named “Internus Bucca Maquinus”*
  - *Multitudes of distributed server Orcs whose motto was “many is better than one”*
  - *Evil wizards claiming that “the mainframe is dead”*
  - *Dark Lords wanting to extinguish the light of “Source Code”*
  - *Pointy-haired managers reading magazines*
- *To keep alive the dream.....a highly efficient but beautifully simple form of virtualization - VM*

# *The Order of Knights Was Born*

- *In 1978, the “Order of the Knights of VM” was born.*
- *Recognizes people who have contributed to the advancement of VM, or to the community that has supported VM.*
- *Every 5 years, on the anniversary of the first VM product announcement, a new group of Knights are inducted to this august group.*
- *In 2007, contributors to zLinux were included as they are kindred spirits.*

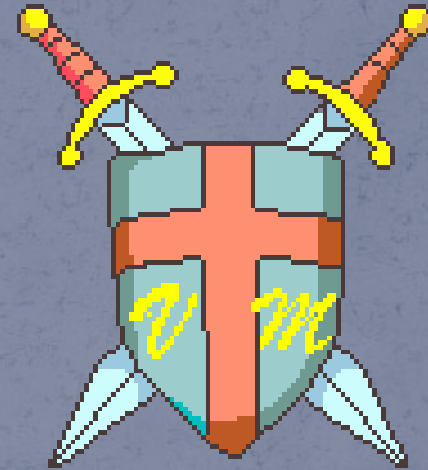

## *First Knights were the Pioneers*

- *When CP was first imagined, it was groundbreaking. Nothing like it had ever been done before. Virtualization was born.*
- *The first Knights inducted into the order were the pioneers who made CP and then VM possible.*
- *The “Gran Dame” of VM, Melinda Varian wrote the comprehensive history of how VM was born and developed:*
  - *<http://www.scribd.com/doc/46818910/8/K-The-Roller-Coaster-Ride>*

# *The Founding Knights (1978):*

- *Alan Greenberg*
- *Ed Haskell*
- *Bruce Marshall*
- *Pat Ryall*
- *Dave Smith*
- *Lynn Wheeler*
- *Henry Young*

# *Romney White*

# *Knight Honorifics*

- *Starting in 1982, all new knights were assigned new names, befitting their contributions.*
- *The SHARE LVM Program Manager is honorary “fons honorum” for the Order.*
  - *Coordinates nomination and selection process for new inductees, oversees designation of honorary names.*
- *Nominations for new knights made by current members of the order, final selections based on their votes.*
