Work Task part 1

- Incorporate an Application into System Automation

- Start command
- Stop command
- Messages
 - ACTIVE
 - UP
 - TERMINATING
 - TERMINATED

- Dependency to other Application
- On which system runs the Application

Creating and Editing Automation Policies

```

MENU  OPTIONS  HELP
-----
Option ==> Automation Control for z/OS 1.1 Customization Dialog

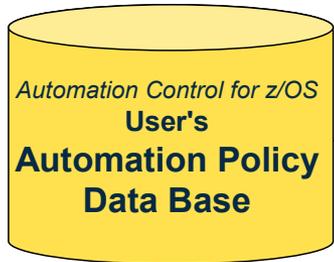

0  Settings                User parameters

BR  Browse                 Browse the Policy Database
1  Edit                   Edit the Policy Database
2  Build                  Build functions for Policy Database
3  Report                 Generate reports from Policy Database
4  Policies               Maintain Policy Database list
5  Data Management       Import policies into a Policy Database
U  User                   User-defined selections

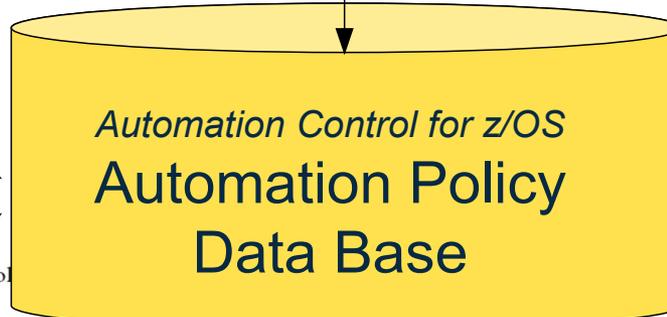

X  Exit                   Terminate Customization Dialog

To switch to another Policy Database, specify the Policy Database name in
the following field, or specify a ? to get a selection list.
Current Policy Database . . . ACLAB1
